Attention: Mrs. Frace *carey*  
Yaphank, Long Island, New York

Gentlemen:

I am writing to you with respect to the registration status of Mrs. Dulles and the undersigned as regards voting in the November elections. As a government employee (Director of Central Intelligence) I understand that Mrs. Dulles and I are entitled to continue to vote, during my government employment, at my last voting residence, which was Lloyd Harbor, Suffolk County. I still own property on Lloyd Neck which is now rented, but I was previously registered from that residence and voted in the schoolhouse at Lloyd Harbor.

I recently inquired of our representative in Congress, Stuyvesant Wainwright, with regard to my voting residence and received the suggestion noted in the attached letter.

I would appreciate it if you would kindly advise me at the above address whether Mrs. Dulles and I are duly registered to vote at Lloyd Harbor and, if not, kindly arrange such registration or advise me of the steps which I must take to do so.

If we are duly registered, in view of the possibility that we may not be able to get to Suffolk County to cast our ballots in person, kindly arrange to send for Mrs. Dulles and myself absentee voting ballots.

Appreciating your prompt attention to the above, I am

Sincerely yours,

Allen W. Dulles  
Director
